

Player Information and Privacy Policy Purpose

This website is operated by NESS-SIDE FC to provide information about the club, its teams, players, fixtures, results, and activities.

The club is committed to protecting the privacy and wellbeing of all young players and complying with relevant data protection and safeguarding requirements.

Player Information Published on the Website

To recognise and celebrate participation in the club, the website may display:

- Players' first names.
- Players' surnames or surname initials.
- Squad or player numbers.
- Team information and match reports.
- Generic silhouettes, avatars, or illustrations representing players.

The club does not publish personal contact information for players.

Information We Do Not Publish

The club will not publish the following information about young players on the public website:

- Home addresses.
- Telephone numbers.
- Email addresses.
- Dates of birth.
- School details.
- Medical information.
- Any information that could reasonably place a child at risk.

The club does not use identifiable photographs of young players on the website unless separate parental consent has been obtained.

Consent

Parents or guardians will be informed about the information that may appear on the website and may request that their child's information is not displayed.

The club respects the wishes of parents, guardians, and players regarding online publication.

Requests for Removal or Amendment

Parents, guardians, or players may request the removal or correction of information published on the website by contacting:

NESS-SIDE FC

email: danny.macdonald@ness-sidefc.co.uk

The club will review and action reasonable requests promptly.

Safeguarding

The welfare of children and young people is the club's primary concern. All website content will be published with appropriate regard to privacy, dignity, and safeguarding considerations.

Policy Review

This policy will be reviewed periodically and updated as required to reflect changes in club practices or leg
